**DEFENDANT'S PETITION FOR EARLY TERMINATION  
OF SUPERVISED RELEASE**

NOW COMES the defendant, Richard Mroch, by and through his attorney, Paul E. Paprocki, and moves this honorable court to modify the conditions of the defendant's sentence and to terminate his supervised release. In support of his motion the defendant states as follows:

1. The defendant was charged with Racketeering, 18 U.S.C §§1962(c) and (d); and Conspiracy to Distribute a Controlled Substance, 21 U.S.C.A. §§841(a)((1) and 846 in the Eastern District of Wisconsin in case number 1997 CR 98.
2. That after a jury trial, the defendant was found guilty of the charges and was sentenced on October 12, 2000.
3. That the defendant's sentence included a period of two hundred and eighty-eight months in the Bureau of Prisons followed by three years of supervised release.
4. That the petitioner served twenty years and eleven months of his sentence in the Bureau of Prisons without incident.
5. That the defendant completed his imprisonment on May 7, 2018 and began his supervised release upon his release.

6. That the jurisdiction for the defendant's supervised release was transferred to the Northern District of Illinois on September 13, 2018.
7. That the defendant has paid all of the fines and costs that were required as a condition of his sentence. He has been in compliance with all other conditions of his supervised release.
8. That the defendant continues to be self-employed doing construction work and that his conduct has been exemplary.
9. That the probation office has been advised of this motion and takes the position that early termination is appropriate for probationers with Mr. Mroch's history and because he has fulfilled all of the conditions of his sentence thus far.
10. That no reasonable purpose would be served by continuing the defendant's supervised release and that the resources of the probation department would be better served if the defendant's supervised release were terminated.

Wherefore, the defendant Richard Mroch respectfully requests that the conditions of his sentence be modified and that his supervised release be terminated.

Respectfully Submitted,

---
